

Today, access to Internet is not only fundamental, but crucial to excel in a world that is continuously transformed by technology. Yet, nearly **one in four Arizona households** lack an Internet connection.

ArizonaOn works with local partners to **eliminate the digital divide** by spreading awareness of high-speed, low-cost Internet services and computers, and free digital literacy courses available across Arizona.

**\$9.95 per month home Internet\*** service could be available to you through one of the following Internet service providers:

**Connect2Compete Offer**  
1-855-222-3252

**Internet Basics Offer**  
1-800-257-3212

**4G T-Mobile Hot Spot Offer**  
1-855-270-3725

**Internet Essentials Offer**  
1-855-846-8376
