McCorkle

Student of the Month Recognition for November is "Collaboration"

To work together toward a common goal. To contribute positively and take on a leadership role. This award will be given to students that have been selected by their teacher via an invitation sent home.

This event will be held on Friday

December 8, 2017 from 8:00—8:30 am in our dining hall/cafeteria.

This special achievement is certainly an indication of the support and encouragement that has been taught in your home.

McCorkle will continue to have monthly events for the recognition of our students.
